Pre-professional Programs

The college offers a variety of pre-professional programs for students anticipating seeking admission to professional schools in dentistry, health, law, medicine, nursing, pharmacy.

Honors Program

The Honors Program is an interdisciplinary curriculum that provides a stimulating academic environment and intellectual challenge for highly motivated students. In the Honors Program, students explore more intensely their major fields, integrate the various areas of knowledge, interact with like students at other institutions, and learn techniques of independent research. The program includes interdisciplinary seminars and a significant research and writing project in the student’s major field. Contact Dr. Rob Merritt: rmerritt@bluefield.edu.

The BC Mission

Bluefield College is a Christ-centered liberal arts college in covenant with the Baptist General Association of Virginia. We offer a challenging academic experience within a diverse Christian environment. Our academic and co-curricular programs transform students’ lives by integrating liberal arts with career-oriented studies and service to God and the global community. We are committed to graduating students who think critically, communicate effectively, and adapt readily to a changing world.
