**Special Features:** Core values of sustainability, peacemaking and commitment to service are evident across campus. Our cross-cultural requirement encourages people to think critically and see the world with new eyes. Care for creation is woven across the curriculum. All students are challenged to work toward healing and restoration in situations of conflict, rather than resort to violence.

**Campus Setting:** EMU is located in the beautiful Shenandoah Valley of Virginia. All faith traditions are welcome and celebrated on campus. About 50% of students are Mennonite. A seminary, graduate programs and the Center for Justice and Peacebuilding bring diversity and professionalism to the campus environment.
